SECTION 1: GENERAL DESCRIPTION AND BACKGROUND

(A) Request for Proposal: This document constitutes a RFP from prospective qualified Offerors to provide compliance oversight of MoDOT's FTA grant sub-recipients to the Commission and MoDOT, as set forth in this RFP.

(B) Background: MHTC is seeking a qualified Offeror who can provide compliance oversight. It is the intent of this RFP to have the successful Offeror enter into a Service Agreement with MHTC (hereinafter "**Resulting Agreement**"), to supply compliance oversight as outlined herein.

As a recipient of Federal Transit Administration (FTA) grants, the Missouri Department of Transportation (MoDOT) has the responsibility to ensure that sub-recipient agencies of those FTA funds flowing through MoDOT comply with FTA's grant terms and conditions. Historically, MoDOT staff members in the Transit Section of the Multimodal Operations Division have conducted periodic on-site grant compliance reviews of those FTA grant sub-recipient agencies.

However, due to MoDOT's recent agency-wide staffing reduction, known as the Bolder Five Year Direction, along with FTA's expanded oversight obligations, the Transit Section has not kept pace with the desired degree of on-site reviews of sub-recipients.

In the administration of FTA programs MoDOT is required to comply with all applicable laws and regulations in accordance to the FTA Master Agreement. This RFP also seeks support to MoDOT staff members in the Transit Section of the Multimodal Operations Division in the administration and compliance of federal FTA programs as outlined in the FTA Master Agreement.

MoDOT has approximately the following number of active transit grant sub-recipients:

- 190 – FTA Section 5310 sub-recipients
 - 29 – FTA Section 5311 sub-recipients (includes 3 intercity bus company providers),
 - 10 – FTA Section 5309 sub-recipients not in other programs
 - 8 – FTA Section 5303 sub-recipients metropolitan planning organizations
 - 6 – FTA Section 5317 sub-recipients not in other programs
- 243 – Total of active MoDOT transit grant sub-recipients

The frequency of on-site sub-recipient compliance reviews will vary in the future based on an annual risk assessment. This risk based approach is described on pages 43 – 44 in MoDOT's Transit Grants State Management Plan available on MoDOT's web site at the following link:

<http://www.modot.org/othertransportation/transit/transitapplicationsreportsprograms.htm>

Previously, MoDOT's goal was to conduct on-site compliance visits biennially for Section 5311 sub-recipient agencies and every three years for Sections 5309, 5310, 5316 and 5317 sub-recipients. The Section 5303 MPO's are subject to a triennial FHWA-FTA planning certification review and were not separately reviewed by MoDOT's Transit Section. All current active 5316 sub-recipients are also sub-recipients in other programs.

(C) Contract Period: The Contract Period for the performance of the services described in this RFP is from January 1, 2017 through December 31, 2017. The successful Offeror shall perform any and all the services listed herein as often as requested by MHTC for the entire duration of the Contract Period as defined herein at the Guaranteed-Not-To-Exceed Prices submitted by the successful Offeror in response to **SECTION 6: PRICING PAGE** of this RFP.

(D) Renewal Information: The contract shall not bind, not purport to bind, the Commission for any contractual commitment in excess of the original contract period. The Commission shall have the right, at its sole option, to extend the contract for three (3) additional one-year periods, or any portion thereof. In the event that the Commission exercises its options to extend the contract, such extension must be accomplished by a formal contract amendment approved and signed by representatives of the Contractor and Commission, respectively, each of whom being duly authorized to execute the contract amendment on behalf of the Contractor and Commission, respectively.

(E) Schedule of Events: Below is the schedule that will be followed. Unless otherwise specified, the time of day will be 7:30 a.m. to 4:00 p.m. Central Time. MHTC reserves the right at its sole discretion to expand this schedule, as deemed necessary, without any notification except for the deadline date for submitting a proposal.

The selected consultant will report in writing to MoDOT the results from each on-site review. The consultant will provide relevant technical assistance to sub-recipients for compliance areas initially found deficient and follow-up with such agencies until full compliance with all applicable FTA requirements is achieved.

Based on the number of current active sub-recipients in each grant program, the following estimated number of annual transit grant sub-recipient on-site reviews may be conducted:

- 63 – FTA Section 5310 sub-recipient on-site reviews,

(A) Required Elements of Proposal: Each Offeror shall provide a cover letter signed by an authorized firm representative stating he/she has read and understands all of the terms and conditions of doing business with MHTC in response to this request for proposal. Each Offeror's proposal must be divided into sections corresponding to the list of elements described below.

1. At a minimum, the following information must be provided:

List current clients, including state government clients if applicable.

2. Proposed Method of Performance: Each Offeror must present a written narrative demonstrating the method and/or manner in which it proposes to satisfy the

requirements of this RFP. The language of the narrative shall be straightforward and limited to facts, solutions to the problems, and plans of proposed action as well as the timeline for completion of proposed action.

A. Method: By reading the proposal, MHTC must be able to gain a comfortable grasp of the services to be provided and the methods proposed by the Offeror to provide them. A detailed explanation should be included to understand how the services comply with the requirements of this RFP.

B. Performance Timeline/Milestones: In order to show feasibility, a timetable setting forth appropriate milestones shall be included in Offeror's proposal, with sufficient detail explaining how Offeror will meet those timelines/milestones.

3. Proposed Fee: Offerors must complete **SECTION 6: PRICING PAGE** of this RFP as specifically directed therein.

Cost points shall be determined using a scale of 25 possible points and the following formula:

$$\frac{\text{Lowest Responsive Price}}{\text{Compared Price}} \times 25 = \text{Cost score points}$$

(B) Submission of Proposals: Offerors are responsible for submission of accurate, adequate and clear descriptions of the information requested. Omissions, vagueness or inaccurate descriptions or responses shall not be interpreted in favor of the Offeror and shall be grounds for rejection. This document is not an offer to contract, but is an RFP. Neither the issuance of the RFP, preparation and submission of a response, nor the subsequent receipt and evaluation of any response by the MHTC, will commit the MHTC to award a contract to any Offeror even if all of the requirements in the RFP are met. The MHTC may modify these requirements in whole or in part and/or seek additional Offerors to submit proposals. Only the execution of the Resulting Agreement will obligate the MHTC in accordance with the terms and conditions contained therein.

1. Proposal Format: The Offeror's submittal must include one (1) original hardcopy document. Three (3) electronic copies of the proposal are desired in addition to the hardcopy document. Electronic copies of the proposal must be in Microsoft compatible format or in ".pdf" and stored on CD(s) or flash drive(s). The Offeror shall ensure the electronic copy of the proposal document stored in all media is identical to the original hardcopy response document. In case of a discrepancy, the original hardcopy proposal document language shall govern.

2. Signatures: Any form containing a signature line in this RFP and any amendments, pricing pages, etc., must be manually signed and returned as part of the proposal.

3. Pricing: The Offeror is required to specify the pricing associated with this RFP as a firm fixed price. The successful Offeror will be responsible for performing all services listed in this RFP at the prices listed on **SECTION 6: PRICING PAGE** of the RFP. MHTC will not be liable for any charges beyond those detailed in the proposal.

A. MHTC shall not make any payment to the successful Offeror in advance of the services rendered by the successful Offeror.

B. Each Offeror is responsible for its own expense in preparing, delivering or presenting a proposal, and for subsequent interviews or negotiations with MHTC, if any, as provided for in this RFP.

4. Proposal Life: The Offerors must include a statement in the proposal that indicates the length of time during which MHTC may rely on all proposal commitments. All proposals made in response to this RFP and quoted pricing must remain in effect for a period of not less than 90 days after the date for proposal submission. Any proposal accepted by MHTC for the purpose of contract negotiations shall remain valid until superseded by a contract or until rejected by MHTC.

5. Submission of All Information Required: The Offerors must respond to this RFP by submitting all the information required herein for its proposal to be evaluated and considered for award. Failure to submit all the required information shall be deemed sufficient cause for disqualification of a proposal from consideration.

6. Public Inspection: The Offerors are hereby advised that all proposals and the information contained in or related thereto are subject to Missouri Open Records Act and after contract award and execution of the Resulting Agreement shall be open to public inspection and may be viewed and copied by any member of the public; therefore, MHTC does not assume any responsibility whatsoever in the event that such information is used or copied by individual persons or organizations.

A. Offerors claiming a statutory exception to the Missouri Open Records Act must place all confidential documents (including the requisite number of copies) in a sealed envelope clearly marked "Confidential" and must indicate in the proposal and on the outside of that envelope that confidential materials are included. The Offeror must also specify which statutory exception provision applies. MHTC reserves the right to make determinations of confidentiality. If MHTC does not agree that the information designated is confidential under one of the disclosure exceptions to the Missouri Open Records Act, it may either reject the proposal or discuss its interpretation of the allowable exceptions with the Offeror. If agreement can be reached, the proposal will be considered. If agreement cannot be reached, MHTC will remove the proposal from consideration for award and return the proposal to the Offeror.

B. MHTC will not consider prices to be confidential information.

C. The Offeror must submit its proposal based on the conditions contained in this paragraph without reservations.

7. Clarification of Requirements: It shall be the Offerors' responsibility to ask questions, request changes or clarification, or otherwise advise MHTC/MoDOT if any language, specifications or requirements of the RFP appear to be ambiguous, contradictory, and/or arbitrary, or appear to inadvertently restrict or limit the requirements stated in the RFP to a single source.

A. Any and all communication from Offerors regarding specifications, requirements, competitive proposal, etc., must be directed to the RFP Buyer of Record listed herein, unless the RFP specifically refers the Offerors to another contact. Such communication shall be received by the date noted in **SECTION 1: GENERAL DESCRIPTION AND BACKGROUND, (E) Schedule of Events**.

B. Every attempt will be made to ensure that the Offeror receives an adequate and prompt response. However, in order to maintain a fair and equitable proposal process, all Offerors will be advised, via the issuance of an amendment to the RFP, of any relevant or pertinent information related to the procurement. Therefore, Offerors are advised that unless specified elsewhere in the RFP, any questions received after the listed date may not be answered.

8. Interview Conference: After an initial screening of the written proposals, any, or all of the Offerors submitting a proposal in response to this RFP may be required to give an oral presentation of their proposal. Additional technical information may be requested for clarification purposes, but in no way to change the original written proposal submitted. MHTC reserves the right, in its sole discretion, to decide to conduct interviews with any or all of the Offerors. If an interview is conducted, it is preferred that the interviewed Offeror's personnel to be assigned to the work, as well as key representatives, be present at and participate in the interview.

9. Official Position of MHTC: Offerors are cautioned that the only official position of the MHTC and MoDOT is that which is issued by MHTC in the RFP or an amendment thereto. No other means of communication, whether oral or written, shall be construed as a formal or official response or statement.

SECTION 4: EVALUATION FACTORS AND PROCESS:

(A) Evaluation Factors: The following factors shall be considered in the evaluation of the proposals:

1. Evaluation Criteria: Any agreement for services Resulting from this RFP shall be awarded to the Offeror providing the best proposal to MHTC. After determining responsiveness, proposals will be evaluated in accordance with the following criteria and maximum points per each criterion:

3. Responsibility to Submit Information: Each Offeror is cautioned that it is the Offeror's sole responsibility to submit information related to the evaluation criteria and MHTC is under no obligation to solicit such information if it is not included with the Offeror's proposal. Failure of the Offeror to submit such information may cause an adverse impact on the evaluation of the Offeror's proposal.

(B) Proposal Review/Evaluation: MHTC will select a group of individuals to comprise the proposal review team. MHTC may, in its sole discretion, form a subgroup of the proposal review team, consisting of one or more team members, to comprise a separate proposal evaluation team that would be responsible for evaluating proposals with regard to compliance with RFP requirements. All evaluation team members will use the evaluation criteria stated above and present the evaluations to the review team for further action in the proposal evaluation and contract award process. of the Resulting Agreement. Each Offeror shall fully coordinate its activities with the designated representative and shall consult the MHTC representative regarding any problem arising out of the provision of the services to the MHTC pursuant to this RFP and the Resulting Agreement. As the work of the successful Offeror progresses, advice and information on matters covered by the Resulting Agreement shall be made available by the successful Offeror to the designated representative throughout the effective period of the Agreement. MHTC reserves the right to limit the authority of Buyer of Record and MHTC's representative provided herein as it deems necessary in its sole discretion at any time and from time to time throughout the duration of the RFP process and the Contract Period.

(C) Assignment: The successful Offeror shall not assign, transfer, or delegate any interest in the services to be provided under this RFP and the Resulting Agreement without the prior written consent of the MHTC representative. The successful Offeror may at its own expense employ clerical or technical assistance in the performance of the services under this RFP and the Resulting Agreement, such clerical and technical assistance provider being as fully bound as the Offeror to all confidentiality and work product provisions of this RFP and the Resulting Agreement.

(I) Bankruptcy: Upon filing for any bankruptcy or insolvency proceeding by or against any Offeror or assignee, whether voluntarily, or upon the appointment of a receiver for the benefit of creditors, Commission reserves the right and sole discretion to reject the Offeror's proposal, or, as applicable, either cancel the Resulting Agreement or affirm the Resulting Agreement and hold the successful Offeror responsible for damages.

(J) Status as Independent Contractor: The successful Offeror represents itself to be an independent contractor offering such services to the general public and shall not represent itself or its employees to be an employee of MHTC or MoDOT. Therefore, the successful Offeror shall assume all legal and financial responsibility for taxes, FICA, employee fringe benefits, workers' compensation, employee insurance, minimum wage requirements, overtime, or other such benefits or obligations.

(K) Subcontractor: Any Offeror's proposal must identify all subcontractors, if any, and outline the contractual relationship between the Offeror and each subcontractor. Either a copy of the executed subcontract or a letter of agreement over the official signature of the firms involved must accompany each proposal. 3. Offeror's Responsibility Unconditional: Regardless of which persons or firms, if any, that the successful Offeror may use as subcontractors or suppliers of goods or services for the services to be provided, the successful Offeror ultimately remains responsible and liable to MHTC for the complete, accurate, and professional quality/performance of these services.

(M) Nondiscrimination: The Offerors shall comply with all state and federal statutes applicable to the Offerors relating to nondiscrimination, including, but not limited to, Chapter 213, RSMo; Title VI and Title VII of Civil Rights Act of 1964 as amended (42 U.S.C. Sections

1. Offeror’s Certification: By signing the proposal to this RFP, the Offeror hereby certifies that any employee of the Offeror assigned to perform services herein is eligible and authorized to work in the United States in compliance with federal law.

2. Failure to Comply: In the event the Offeror fails to comply with the provisions of the Executive Order 07-13, or in the event the Commission has reasonable cause to believe that the Offeror has knowingly employed individuals who are not eligible to work in the United States in violation of federal law, the Commission reserves the right to reject the Offeror’s proposal or, as applicable, impose such contract sanctions as it may determine to be appropriate, including but not limited to contract cancellation, termination or suspension in whole or in part or both.

3. Incorporation of Provisions: The successful Offeror shall include the provisions of this paragraph in every subcontract. The successful Offeror shall take such action with respect to any subcontract as the Commission may direct as a means of enforcing such provisions, including sanctions for noncompliance.

(O) Non-employment of Unauthorized Aliens: Pursuant to Section 285.530, RSMo., no business entity or employer shall knowingly employ, hire for employment, or continue to employ an unauthorized alien to perform work within the State of Missouri. For Offerors that are not already enrolled and participating in a federal work authorization program, E-Verify is available at http://www.dhs.gov/xprevprot/programs/gc_1185221678150.shtm.

2. Annual Worker Eligibility Affidavit: By sworn affidavit, affirm that it does not knowingly employ any person who is an unauthorized alien in connection with the contracted services. Offerors are required to complete and submit with their proposal the affidavit referenced herein, which is provided within this document and attached as **Exhibit 1**.

(P) Proof of Lawful Presence For Sole Proprietorships and Partnerships: If the Offeror is a sole proprietorship or partnership, pursuant to Section 208.009, RSMo., each sole proprietor and each general partner shall provide affirmative proof of lawful presence in the United States. Such sole proprietorship or partnership is eligible for temporary public benefits upon submission by each sole proprietor and general partner of a sworn affidavit of his/her lawful presence on the United States until such lawful presence is affirmatively determined, or as otherwise provided by Section 208.009, RSMo.
